Re: Docket #'s ~~84-0464 and 84-0442~~

On January 29, 1998, Pay Phone Concepts, Inc. filed an Application for Certificate of Service Authority to provide customer-owned pay telephone service (COPTS) in the State of Illinois. The order granting the certificate was dated July 22, 1998.

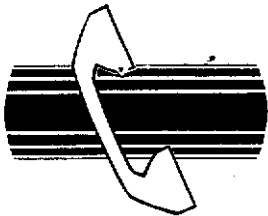

The business Pay Phone Concepts hoped to do in the State of Illinois has not materialized and Pay Phone Concepts does not expect that to change. To date, Pay Phone Concepts, Inc. has not done any business in the State of Illinois and therefore, have decided to withdraw our Certificate of Service Authority.

Pay Phone Concepts would like to waive any hearing on this matter and request the Illinois Commerce Commission withdraw said certificate.

Please advise if there is any further information that is needed.

Sincerely,

Keith Boller
President
